

## PARKING

We will be having assigned parking at Pocahontas Housing Authority. You will be given a parking sticker that we will put on your vehicle for you. You are to park only in your assigned space. If you have a second vehicle, that vehicle must have a visitor's sticker and must park in visitor parking only.

We will need the registration of your vehicle(s) before we can give you a parking sticker. You are to bring your vehicle registration in with you when you lease in. If you do not, then you will have to park in visitor parking until you bring in your registration. Your vehicle must be registered in Arkansas. If it is not registered in Arkansas, you will have to register it here. You will receive a temporary tag with an expiration date of no later than 30 days from the date you are given the sticker. You will need to bring us the Arkansas registration before that 30 days is up to receive your permanent parking sticker.

There are no exemptions from this rule.

Please see to it that we have all updated vehicle information as it happens, such as changing vehicles, rental vehicles or second vehicles. We will also need an updated registration every year that you are here.
